Foreword

Another year at Midway High School has come and gone. It is traditionally the purpose of the Panther Paw to serve as a permanent collection of works and pictures that will remind the students of this year at Midway High.

As you glance through the pages of this 1962 edition of the Panther Paw, you will live again many of the happy days you spent here. The emphasis is on you---the student---your campus activities, your athletic program, and your many other activities.

It is the wish of the Panther Paw staff and the senior class that you will find all these phases of your high school life pleasantly presented here for your enjoyment.

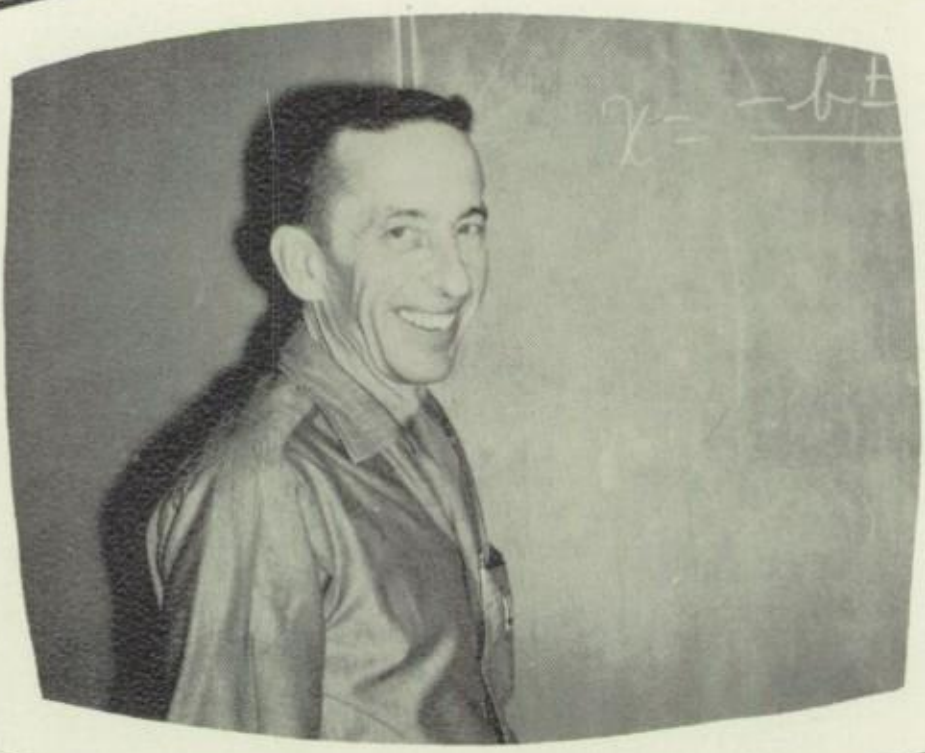
THE SANDS OF TIME

Time drifts and its face changes as does the drifting sand. It may be bought; it may be sold; it may be cultivated; it may be wasted; it may be glorified!

It takes time to make friends; it takes time to be kind; it takes time to be cruel. It takes time to train and discipline one's mind. It takes time to witness for Christ!

It even takes TIME to remember!



the class of 1962,

To you, Mr. Bennie Ballew, we, the class o

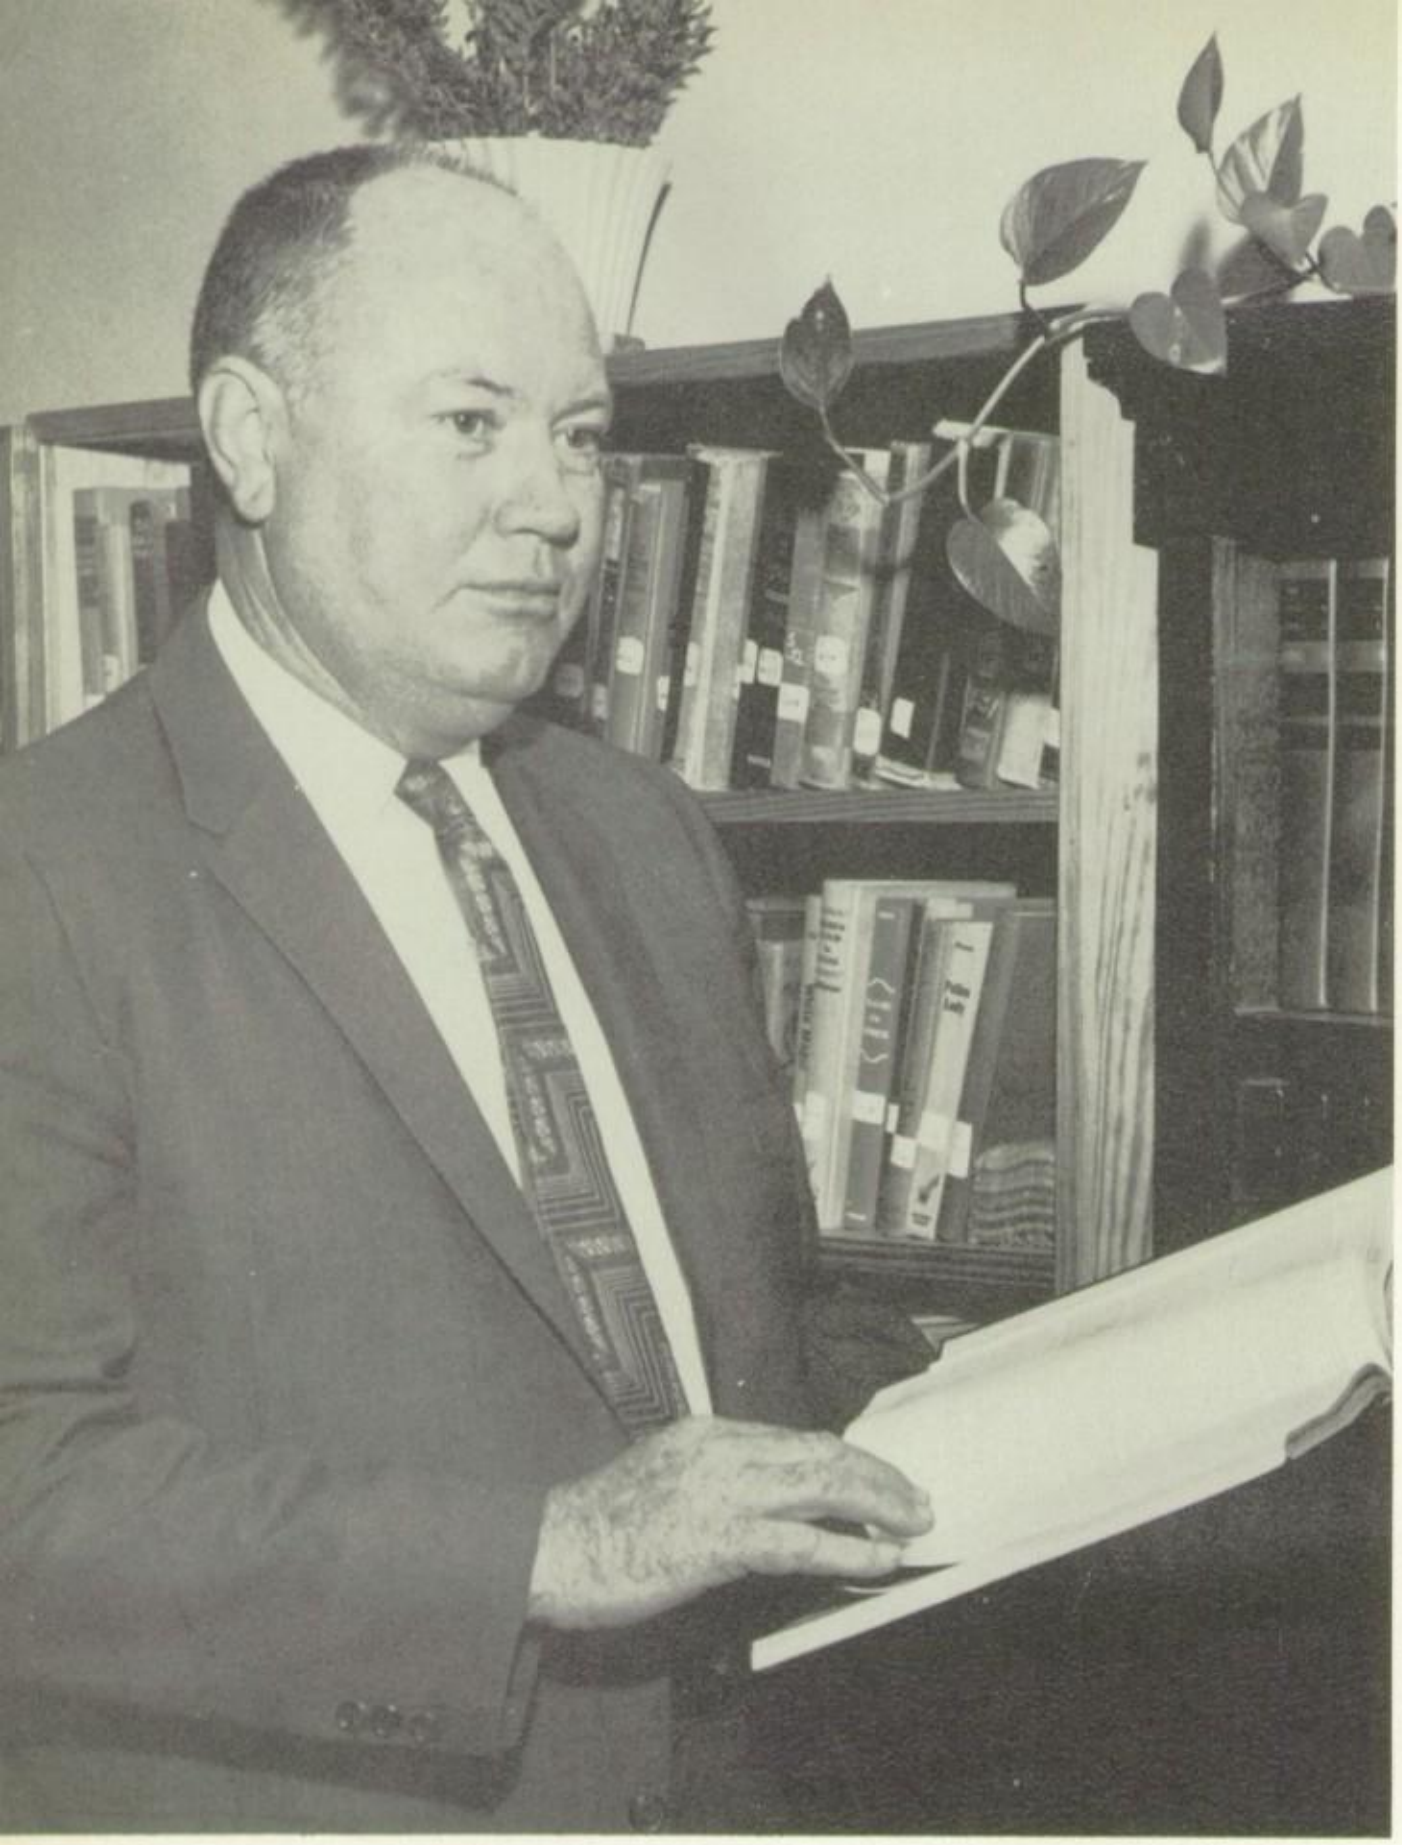
dedicate the Panther Paw, in return for the priceless

gifts of knowledge and inspiration you have bestowed

upon us. We deeply express our gratitude for the

guidance and support you have so unselfishly given

us.



Message from Superintendent

Seniors of 1962:

I am very sure that as you near the end of your school days at Midway that you have many thoughts and problems concerning your future. You are living in a fast, changing world and the plans for your future seem very insecure. It will be the young people of today who must carry the load of Americanism Tomorrow!

This great country of ours has done much in the way of offering to you the greatest opportunities in the world. I hope you have prepared yourself to take your place in college life or in whatever life you plan to follow. The Jet and Atomic Age may come and go; other greater forces may take their place, other changes may be made, but the Supreme Being, the great Almighty God, will remain unchanged. Have faith and whatever your future may be, look to God for guidance.

It has been a pleasure having you in our school. I wish for each of you the very best luck and greatest success always.

Sincerely,

M. T. Rice
